

## Essay Prompts on Identity

### **Coming of Age and Self-Discovery**

Choose a character who undergoes a journey of self-discovery. How do events and relationships shape their understanding of their identity?

### **Cultural and Social Identity**

Examine how a character's cultural, racial, or social background influences their sense of self. How does this identity conflict with or align with the society around them?

### **Identity and Rebellion**

How does a character challenge the identity imposed on them by society, family, or tradition? What is the result of this rebellion?

### **Gender and Identity**

Discuss how gender expectations shape or distort a character's identity. How does the character conform to or defy traditional gender roles?
