

## Essay Prompts on Family

### **The Role of Family in Shaping Identity**

How does a protagonist's relationship with their family shape their moral compass and decision-making?

### **Conflict and Dysfunction in Families**

How does generational conflict reveal deeper societal tensions? Analyze how the breakdown of family relationships serves as a metaphor for political or social unrest.

### **Chosen Families vs. Biological Families**

Discuss how the concept of "found family" challenges or reinforces traditional ideas about kinship in a particular literary work. What makes a family: blood, loyalty, or shared struggle?
