

## Essay Prompts on Immigration

### **Cultural Displacement and Self-Discovery**

Analyze how a protagonist's immigrant background shapes their sense of identity. How does the character reconcile—or fail to reconcile—their heritage with their new environment?

### **Language as Barrier and Bridge**

Examine how a literary work portrays language acquisition, loss, or bilingualism as a central part of the immigrant experience. How does language connect or separate generations?

### **Generational Conflict**

Investigate how literature portrays tensions between immigrant parents and their children. How do cultural expectations, traditions, and personal ambitions collide?
