

## General Discussion Questions on Guilt

**In what ways can guilt serve as a moral compass for characters, and in what ways can it be destructive?**

**Does guilt always require wrongdoing, or can it arise from inaction, survival, or even misplaced responsibility?**

**How do characters' confessions (or lack thereof) reveal their relationship with guilt?**

**Can guilt ever be fully resolved, or is it something that permanently shapes identity?**

**What consequences follow if one suppresses or avoids guilt?**
