

## Essay Prompts on Desire for Freedom

### **Freedom and Identity**

In literature, the desire for freedom often goes hand in hand with the search for identity. Discuss how a character's pursuit of freedom influences their sense of self in a work of your choice.

### **Freedom as Illusion or Reality**

Some works suggest that true freedom is unattainable, while others portray it as possible but costly. Explore how one or more texts depict freedom as either an illusion, an achievement, or both.

### **Freedom vs. Obligation**

Characters often desire freedom but are bound by duty, family, or love. Write an essay analyzing how a literary work explores the tension between personal freedom and responsibility.

### **Freedom and Rebellion**

Consider a character who rebels in pursuit of freedom. To what extent is their rebellion successful, and what does the outcome suggest about the cost of freedom?
