

Essay Prompts on Immigration

Identity and Belonging:

How do literary texts portray the struggle for identity and belonging among immigrants?

Cultural Hybridity:

In what ways do immigrant characters negotiate between their native culture and the culture of their new country?

Immigration and Social Justice:

Explore how literature critiques societal attitudes toward immigrants, including prejudice, xenophobia, or exploitation.

Narrative Voice and Perspective:

Analyze how authors use first-person vs. third-person perspectives to portray immigrant experiences. How does narrative choice affect the reader's understanding of migration?
