

## Essay Prompts on Art

### **Art as Resistance**

Both literature and visual art have historically been tools of political critique and social commentary. Compare a literary text and a visual artwork that engage with the same social issue.

### **Portraits in Prose and Paint**

Consider how writers and painters construct identity.

### **Rewriting with Images**

Take a passage of literature and imagine how you would represent it visually. What details would you emphasize or leave out, and why?
