

## Essay Prompts on Revolution

### **The Impact of Revolution on Society**

Analyze how literature portrays the effect of political revolutions on different social classes.

### **Failure and Success of Revolutions**

Many literary revolutions fail, either politically or personally. Analyze a text where revolution fails and discuss what the author conveys about human nature, society, or the inevitability of change.

### **Narrative Perspective and Revolution**

How does the narrative point of view affect the portrayal of revolution? Compare first-person versus omniscient narrators in works depicting revolutionary periods.

### **Internal Revolutions**

Analyze how literature portrays personal revolutions—moments of radical change within a character's beliefs or identity.
