

## Essay Prompts on Race

### **Identity and Double Consciousness**

How do writers use language, dialect, or narrative voice to express internalized racial conflict?

### **Race and Power Structures**

How does literature reveal the intersection of race and class as systems of power?

### **Racism and Resistance**

Compare the forms of resistance in African American and postcolonial literatures.

### **Historical Memory and Race**

Discuss how collective racial memory is shaped through narrative structure, symbolism, or intergenerational storytelling.
