

## General Discussion Questions on Art

**Can literature convey the same emotional or aesthetic impact as the visual arts? Why or why not?**

**Are there notable works where literature inspired actual visual art, or vice versa?**

**Can literature serve as a medium to preserve or reinterpret art that no longer exists?**

**How do cultural differences affect the way literature depicts art?**

**How does adapting a literary work into visual art (illustrations, film, stage design) change its meaning?**

**If you could turn a favorite scene from a book into a piece of art, how would you depict it and why?**
